

Glavno

Device short name	MN
Product or component type	Voltage release
Device application	Control
Range compatibility	EasyPact EZC
Voltage release type	Undervoltage release
[Uc] control circuit voltage	48 V DC

Komplementarno

Threshold tripping voltage	0.35...0.7 Un - during opening time 0.85 Un - during closing time
Response time	50 ms

Okolina

Contractual warranty

Warranty period	18 months
